Stow Police Department NARRATIVE FOR DETECTIVE CASSANDRA M ELA Ref: 15-199-OF

On November 30, 2015, I was working the midnight shift (10:45pm-6:45am) as a uniformed officer in marked cruiser #4 in the town of Stow. Also working the shift was Officer DeZago.

At approximatly 2:22am, Officer DeZago and I, along with Stow Fire/EMS Rescue 16 and ProEMS ALS, were dispatched to 219 Taylor Road for a report of a possible unresponsive male. It should be noted 219 Taylor Road is a group home owned by Advocates, Inc.

On arrival, I observed a male party walking up to the front door of the building, later identified as Advocates, Inc. Staff Member and a sked a sk

While in REILLY's bedroom, I observed approximatly 40-50 pink oval pills with '44329' imprinted on them spread out on the bedstand right next to REILLY's bed. I recognized these pills to be Benadryl. There were also approximatly five (5) empty Benadryl containers throughout REILLY's bedroom.

stated approximatly one hour ago, REILLY went to his I then spoke with room and told him he had something for him in his bedroom. At that time, and REILLY went to REILLY's bedroom. There, REILLY handed to be two (2) white round pills that he recognized to be stated he recognized the packaging that the pills came in to be his. his Ativan. stated REILLY also took some pills but he did not know how many. stated REILLY told him that he stole the pills from the locked staff office where all the medications are kept in a locked cabinet. stated he noticed REILLY began to become sleepy and told him that he "felt good". stated he tried to make REILLY some coffee but after an hour, REILLY laid down on his bed stated he checked on REILLY several times and when he noticed REILLY's and fell asleep. breathing started to became shallow and he wouldn't wake up, he decided to call 9-1-1. me that before calling 9-1-1 he asked to check on REILLY but was told to give REILLY privacy. advised me that when the dispatcher requested to speak with a staff member, refused to speak on the phone because he thought REILLY was fine. I asked where REILLY put the pills and the packaging; he stated the last time he saw them, they were on the night stand table next to his bed.

Officer DeZago then spoke with **Sector** and Officer DeZago went to the staff office, where **Sector** used his key to enter, and observed the black cabinet to be open, which is normally closed and locked. **Sector** reported the black cabinet was last seen closed and locked at approximately 12:00am when he gave REILLY an antacid. **Sector** also reported the small safe inside the black cabinet was also open, which is usually closed but

not locked, in which he noticed **sector and the sector and set of the sector and set of the sector and the sect**

I then asked when the last time he saw REILLY; he stated at approximately 1:30am when REILLY requested a cigarette. Stated he appeared to be acting normally at that time. I then asked if he had noticed or heard REILLY and when the living on up around the house; he stated no. Stated he was upstairs the whole time in the livingroom watching TV and did not notice anything unusual going on. Stated he tried to speak to the dispatcher but would not allow him to have "privacy" to speak on the phone. I asked when I arrived; he stated he was retrieving his personal cell phone charger from his vehicle because his cell phone was going dead.

During this time, **Second** called his supervisor. While on the phone, **Second** entered REILLY's room where found the missing medication package located under the side table next to REILLY's bed. The package listed **Second** as the patient and the medication to be Lorazepam 1mg, Ativan. **Second** again stated there was supposed to be 52 pills left in the package and there were zero (0) left. **Second** again stated this medication is kept in the unlocked safe in the locked medication cabinet in the locked staff office. I advised dispatch to update Stow Fire/EMS regarding this new information. Photographs were taken and are attached to this report.

REILLY is being charged with the following: 94c/37 Larceny of a Drug (Ativan) 266/16/B Break into a Depository

A verbal report was made with Jorge at the Disabled Persons Protection Commission (DPPC), case #CP-35014, and this report will be faxed.

Nothing further at this time.
