On Wednesday May 25, 2016 I was working the 3pm to 11pm shift assigned to unmarked police cruiser 1. At approximately 6:00pm I was dispatched to 219 Taylor Road for a reported 911 call from [REDACTED] [REDACTED] who was reporting that one of his house mates had stolen his credit card and some cash. Upon arriving at 219 Taylor Road, a group home for mental illness and substance abuse, I was met in the driveway by [REDACTED] who I have had previous interactions with before.

[REDACTED] stated that REILLY, BRENDAN DOB 6/18/86 has frequently been going into his room which is right next door to his. [REDACTED] stated they each have their own room on the first floor of the house. [REDACTED] stated that he left his credit card and cash, which he stated was ten dollars, one five and five ones in his own room today. [REDACTED] stated that he left his room door unlocked and was doing errands around the house. Upon returning he stated that the credit card and cash were missing. I asked [REDACTED] to describe the credit card, which he stated it was a Red Alpine Credit Card.

While speaking with [REDACTED], REILLY exited the house and started to yell at me and [REDACTED]. REILLY was yelling that [REDACTED] was high on drugs and that he did not steal anything. I directed REILLY to return to the house and that I would be speaking with him shortly.

At this time Boxboro Officer Arakelian arrived on scene as back-up. I then entered the house and spoke to the staff which reported that [REDACTED] did report a theft to them and they informed him to call the police.

I then spoke to REILLY who was sitting down in the living room. I immediately observed that REILLY's eye's were dilated for the area of light we were in. I observed REILLY to be extremely nervous and agitated. REILLY stated that he has never seen a credit card and does not know how to use one before I asked him any questions. I asked him if he took [REDACTED] cash either, which he stated no.

I asked REILLY if the credit card was either in his room or on his person. REILLY immediately stated no he does not have it. I asked REILLY if I could search him and his room which he stated yes I have nothing to hide. I then completed a search of REILLY with negative results. I, along with Officer Arakelian then went into REILLY's room and immediately found the red credit card on REILLY's bureau. A photo of the card was taken and is attached to this report.

I then also found some bendryal pills which I have been part of a shoplifting investigation where REILLY has stolen the pills from Shaws in Stow. I know that the residents of this house have their medications given to them as many have overdosed in the past. I then notified the staff of the pills I found, which [REDACTED] seized the pills.

I then spoke to REILLY and informed him of what I had found. REILLY stated he has never seen that before and that [REDACTED] must have put the credit card in his room to frame him.

I then spoke to [REDACTED] and showed him the credit card. [REDACTED] stated that he immediately recognized the card and that it was his. I asked [REDACTED] if he put the card in REILLY's room which he stated he did not. I then returned the card to [REDACTED]

I informed REILLY that he would be summons into Concord District Court. It should be noted that due to the stress of this situation a few hours after I left the house, REILLY did make suicidal comments and was Sectioned 12 by the Advocates doctors. REILLY was transported to Marlborough Hospital.
