**Summary**

Case Nurse Angela Schmidt from the Eliot House called to report that a resident, Brandon Riley, attempted to break into his medication safe overnight and is behaving erratically. Officer DeLuca reports Brandon is calm at this point and not in need of any services. Staff attempted to obtain a Section 12 , but were denied. Staff was instructed to contact the police if they have another issue with this resident. Schmidt advised her supervisor of the incident regarding the safe. Comfort Home Care elected to remove the safe and will replace it at a later time. The contents include Riley's medication to treat his schizophrenia and mental health issues. Pictures attached.
