1. On Thursday, 02/17/2022, at approximately 1200 hrs, I, Trooper Murgo, spoke with the Vice President of Behavioral Health at The Eliot Group, Aaron KATZ via telephone. I was inquiring about the treatment that Brendan Reilly had been receiving from The Eliot Group program to include the frequency of visits from the nurses. KATZ stated that he did not wish to speak to me regarding this case without an Attorney present. At this time I ended the conversation.

Respectfully submitted,

Christopher J. Murgo
