CONVICTION INTEGRITY UNIT (CIU)

The Middlesex District Attorney's Office Conviction Integrity Unit (CIU) is dedicated to the investigation of potential wrongful convictions in Middlesex County. District Attorney Ryan established the CIU to consider post-conviction claims of factual innocence as well as cases involving a potential miscarriage of justice. The CIU also reviews requests for post-conviction forensic testing pursuant to Massachusetts Law (MGL Ch. 278A).

It is District Attorney Ryan's firm belief that basic fairness requires a prosecutors' office to be willing to review its own work. If you or someone you know has a claim of factual innocence or a potential miscarriage of justice that you feel should be considered, please complete and submit an application for review. The application can be found on the Middlesex District Attorney's Office [website](http://www.middlesexda.com) www.middlesexda.com.

Please be advised that the CIU is part of the Middlesex District Attorney's Office and does not represent applicants. If you seek representation, please consider contacting the [Committee for Public Counsel Innocence Program](#).
