Sir,

On Tuesday, January 5, 2021 at approximately 1343 hours, Newton Police Dispatch broadcasted a report of an armed robbery in progress at Indulge! (16 Lincoln Street, Newton). Newton Police Dispatch stated a male party was inside the store and had a knife. While en route it was reported that the male party involved was chased by responding officers to the third floor apartments above the Indulge! store front. I responded to the Lincoln Street area in marked unit N525 and assisted other units in setting up a perimeter outside of the building and assisting with pedestrian foot traffic.

At approximately 1413 hours, I was positioned on Lincoln Street near the Indulge! store front when I heard what appeared to be shots fired coming from the top floor area of the building. I heard a call for "Medics" to enter the building. At this time, Officers that were in the building at the time of the incident were exiting. A few minutes later a Fallon Paramedic came out of the building to get more equipment to treat the male party involved in the incident. I asked if they needed help bringing equipment in. At this time I assisted with bringing a Scoop Stretcher up to the third floor.

Officer Zachary Raymond was still on scene on the third floor when I arrived. Officer Raymond was present at the time of the incident and I asked Officer Raymond to leave and go get checked out. Officer Raymond left the area and I stayed to assist Fallon Paramedics in rendering aid to the male party. Lieutenant Kenneth D'Angelo was also on scene with me on the third floor assisting Fallon Paramedics. [REDACTED]
