\*\*\*\*\*Witness - Photograph submission By Det. Michael Sowle

Tuesday February 15, 2022, I was forwarded 3 photographs that were emailed to Captain John Mazerall. Captain Mazerall reports that he received the photographs via email( [REDACTED]@gmail.com) from Robert Hutchinson.

Mr. Hutchinson advised that the photographs were taken by his 14 year old son who was traveling through the area in a motor vehicle with his mother at the time of the police response on Saturday February 12, 2022. The photographs were captured with a cell phone. Mr. Hutchinson declined to have his son interviewed and only wished to submit the photographs. Mr. Hutchinson also advised that his wife did not make any observation while driving through the area.

Three (3) have been attached to this report. Two of the photographs appear to depict the moments just after the shooting. The third depicts Lexington Fire Rescue on scene prior to transport.
