By Mr. Eldridge, a petition (accompanied by bill, Senate, No. 847) of James B. Eldridge, Sean Garballey, Jason M. Lewis, Ruth B. Balser and other members of the General Court for legislation to promote restorative justice practices for juveniles and adults. The Judiciary.

The Commonwealth of Massachusetts

In the One Hundred and Ninetieth General Court (2017-2018)

An Act promoting restorative justice practices.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1	SECTION 1. It is the policy of this Commonwealth that principles of restorative justice
2	are included as an option for criminal and juvenile justice practitioners and parties to certain
3	harms. It is the goal that law enforcement officials employ restorative justice approaches
4	wherever applicable, as it may mend and strengthen the social fabric, increase the safety, security
5	and wellbeing of communities, and reduce recidivism and the risk of more serious crimes that
6	would require a more intensive and costly response from the legal system, such as prosecution
7	and incarceration. Local community members should design restorative justice approaches,
8	considering the elements of truth-telling and confidentiality; impacted parties are encouraged to
9	participate when they so choose. Nothing in this chapter shall be construed to limit restorative
10	justice practices or approaches that are, or may be utilized, outside the scope of this bill.
11	SECTION 2. The General Laws are hereby amended by inserting after chapter 276A the

12 following chapter:-

14 RESTORATIVE JUSTICE.

15 Section 1. Definitions

As used in this chapter, the following terms shall have the following meanings unless the
 context clearly requires otherwise:

18 "Restorative justice", a voluntary process whereby the offenders, victims, and members 19 of the community collectively identify and address harms, needs and obligations resulting from 20 an offense, in order to understand the impact of that offense. Restorative justice requires an 21 offender's acceptance of responsibility for their actions and supports the offender as they make 22 repair to the victim or community in which the harm occurred.

23 "Community-based restorative justice program", a program established on restorative 24 justice principles and approved by the restorative justice advisory committee that engages parties 25 to a crime or members of the community in order to develop a plan of repair that addresses the 26 needs of the parties and the community. Programs may include the parties to a case, their 27 supporters, and community members, or one-on-one dialogues between a victim and offender.

28 Section 2. Participation

Participation in a community-based restorative justice program shall be voluntary and shall be available to both a juvenile and adult defendant. A juvenile or adult defendant may be diverted to a community-based restorative justice program at any stage of a case beginning immediately post arraignment and with the consent of the District Attorney and the victim. Restorative justice may be contemplated as a means of disposition, with judicial approval. If a

juvenile or adult defendant successfully completes the restorative justice program, the charge
will be dismissed. If a juvenile or adult defendant does not successfully complete the program or
is found to be in violation of program requirements, the case will be returned to the court in
which it was arraigned in order to commence with proceedings.

38 Section 3. Ineligible Offenses

39 A person shall not be eligible to participate in a community-based restorative justice 40 program if that person is charged with: (i) a sexual offense as defined by section 1 of chapter 41 123A; (ii) any offense against a family or household member as defined by section 13M of 42 chapter 265; or (iii) any offense resulting in substantial impairment of the physical condition 43 including any burn, subdural hematoma, injury to any internal organ, any injury which occurs as 44 the result of repeated harm to any bodily function or organ including human skin or any physical 45 condition which substantially imperils a person's health or welfare. A person charged with an 46 offense that resulted in the fracture of a bone is not automatically ineligible, but may be 47 considered ineligible in light of the facts and circumstances of the case.

48 Section 4. Confidentiality

49 Participation in a community-based restorative justice program shall not be used as 50 evidence or as an admission of guilt, delinquency, or civil liability in current or subsequent legal 51 proceedings. A statement made by a juvenile or adult defendant during the course of an 52 assignment to a community-based restorative justice program shall be confidential and shall not 53 be subject to disclosure in any judicial or administrative proceeding; provided, however, that 54 nothing in this section shall preclude any evidence obtained through an independent source or that would have been inevitably discovered by lawful means from being admitted at suchproceedings.

SECTION 3. Chapter 119 of the General Laws is hereby amended by inserting after
 section 85 the following section:-

59 Section 86. Restorative justice

A child against whom a complaint is brought under this chapter may participate in a
 community-based restorative justice program pursuant to the requirements of chapter 276B.

62 SECTION 4. There shall be established a restorative justice advisory committee to 63 review community-based restorative justice programs. The advisory committee shall consist of 64 sixteen members: the co-chairs of the joint committee on the judiciary, who shall serve as co-65 chairs of the advisory committee; the Secretary of Public Safety and Security or a designee; the 66 Secretary of Health and Human Services or a designee; the President of the Massachusetts 67 District Attorneys Association or a designee; the Chair of the Committee for Public Counsel 68 Services or a designee; the Commissioner of Probation or a designee; the President of the 69 Massachusetts Chiefs of Police Association or a designee; the Executive Director of the 70 Massachusetts Office for Victim Assistance or a designee; and 7 persons to be appointed by the 71 governor, 1 of whom shall be a retired Massachusetts Trial Court judge and 6 of whom shall be 72 representatives of community-based restorative justice programs. Each member of the advisory 73 committee shall serve a 6-year term and members appointed through an official title shall be 74 members for as long as they hold that title.

75 The committee shall, in its discretion, approve, monitor and assist all community-based 76 restorative justice programs to which a juvenile or adult defendant may be diverted pursuant to

6 of 7

this chapter. The committee shall issue approval of new and existing programs for a term of 2 years, and may renew approval for additional 2-year terms, subject to revocation for cause. The committee shall establish criteria to determine approval of a program. The committee may issue approval to a person, partnership, corporation, society, association or other agency or entity.

81 The advisory committee shall track the use of community-based restorative justice 82 programs through a partnership with an educational institution and shall make legislative, policy 83 and regulatory recommendations to aid in the use of community-based restorative justice 84 programs, including but not limited to: qualitative and quantitative outcomes for participants; 85 recidivism rates of responsible parties; criteria for youth involvement and training; cost savings 86 for the commonwealth; training guidelines for restorative justice facilitators; data on racial 87 socioeconomic and geographic disparities in the use of community-based restorative justice 88 programs; guidelines for restorative justice best practices; appropriate training and funding 89 sources for community-based restorative programs; and plans for the expansion of restorative 90 justice programs and opportunities throughout the commonwealth.

91 The advisory committee shall annually submit a report with findings and
92 recommendations to the governor and the clerks of the senate and house of representatives no
93 later than December 31.

Appointments to the advisory committee shall be made not later than October 1, 2018
and the first meeting of the advisory committee shall be held not later than December 1, 2018.
