\*\*\*\*\*Witness Statement Toby Schlein By Detective Michael Sowle

On Thursday February 17, 2022 at approximately 4:54PM, I spoke with Toby Schlein who had contacted the Lexington Police Department after a request was made that witnesses contact the police department regarding the shooting incident that occurred on Saturday February 12, 2022.

The following a is synopsis of the statements made by Schlein during that interview. She advised that she believes she only saw the beginning to middle of the event.

Schlein states that she had an appointment to meet a friend in Lexington Center at 1PM. She is sure that she was traveling through the rotary at approximately 12:55PM for the appointment. Schlein states that she saw a large man wearing t-shirt and shorts. She states that he was in the rotary near the synagogue. She further states that 3 policemen were surrounding him.

Schlein states that she did not observe a knife. Schlein states that she saw the male go down and get back up two times. She states that she heard a burst of shots but knew they weren't "regular shots." She further stated that she saw the male get up so she knew they weren't regular gunshots.

She states that she was the second vehicle in the rotary and did not see anything further after traffic moved.

The following were clarifying statements made by Schlein.

She did not hear the male party nor the officer say anything as her vehicle windows were closed.

She heard approximately three (3) shots and they all sounded similar and not loud.

Officers "weren't on top of him" but cannot estimate distance between officers and male party.
