Consent to Search Mobile Electronic Communication Device

I, [REDACTED], of ASHLAND MA, knowingly, freely and voluntarily, give permission and consent to KEVIN BAKER of the Massachusetts State Police assigned to the Middlesex District Attorney's Office, and, where applicable, to other law enforcement personnel designated by the Massachusetts State Police, to take possession of, remove to another location, copy, and examine each mobile electronic communication device and related voice mailbox listed below for all data and communications contained therein, including but not limited to audio messages left within the mailbox of the mobile electronic communication device (which messages will be accessed by using the device to connect to my voice mailbox), text messages (received, sent, saved, or drafted), address book entries and other contact information, pictures, videos, audio recordings, calendar entries, memoranda, notes, software programs, settings, waypoint references, addresses, searches, routes taken, historical data, coordinates, and code. I consent to the removal of each mobile electronic communication device listed below because of the complexity and the tool(s) necessary to conduct a thorough examination of the device. My consent shall expire in 30 days, at which time I can exercise my right to retrieve each device listed below by contacting KEVIN BAKER at 781-897-6600 to schedule a mutually agreeable time for my retrieval of the pertinent device. With that, my above-described consent applies to the following named devices:

~~Samsung~~ Sprint Android [REDACTED]

I, [REDACTED], have been informed and understand that I have the right to refuse to consent to the above-referenced examination(s) and that such an examination(s) cannot occur without my consent, my abandonment of the device, or a search warrant. I also have been informed and understand that evidence and/or contraband found as a result of the above-referenced examination(s) might be held by law enforcement for use against me or another person(s) in a court of law.

Without any promises made to me and without any threats against me, I now give this written consent knowingly, intelligently, freely, and voluntarily to the above-named member of the Massachusetts State Police, and, where applicable, to other law enforcement personnel designated by the Massachusetts State Police.
