Re: Warrant Arrest / Shooting
Date: July 9, 2013

On Tuesday July 2, 2013, at approximately 11:00am, I Sergeant Greg Fawkes was assigned to the 7-3 shift as the Shift Commander. At this time I was dispatched to 12 Metropolitan Ave to assist Lt. Briggs with a warrant arrest. Lt. Briggs requested that I respond with the 40mm less lethal. Upon arrival I observed Officer Oestreicher standing by her cruiser guarding a female prisoner. Officer Foster was standing at the front of the house holding a patrol rifle. Lt. Briggs and Officer Piers were standing at the entrance of the home. Officer Piers was knocking on the door and saying "Andrew come out of the house". Officer Piers did this several times. I then approached Lt. Briggs and Officer Piers and asked them what was going on. The officers explained to me that that a male named Andrew Stigliano, who had active warrants for his arrest had been observed by Officer Piers in a vehicle driving to the residence. Officer Piers said that Stigliano and the female in the vehicle had bailed out of the vehicle and fled.

Officer Piers said A short time later the female, identified as [REDACTED] walked back to the house as they were knocking on the door and began yelling obscenities at them. [REDACTED] was then arrested for disorderly conduct. Lt. Briggs then explained that Stigliano had fled in to the home and that we were going to force entry into the home to arrest him. He further stated that he believed there were at least two pit bulls in the home. Lt. Briggs wanted me to standby with the less lethal gun when the door was breeched. Lt. Briggs also informed me that K-9 Officer Alberini was responding from home. Lt. Briggs directed me to cover the rear of the house until Officer Alberini arrived. Officer Alberini then arrived on scene a short time later. I then observed Officer Alberini kicking the door to breach it. Officer Alberini then immediately announced "Andrew come out or I am sending the dog, he's going to bite you and it's going to hurt". Officer Alberini did this several times.

We then secured two pit bulls that were inside the home by guiding them in to the garage. Dispatch then notified us that Stigliano's attorney had called the Police Station to inform us that he was receiving text messages from Stigliano. The attorney advised us to use caution. I asked dispatch to ask the attorney what specific statements Stigliano was making. Dispatch said that he would not say but that Stigliano was threatening to harm police. At this time Officer Alberini and K-9 Dax was searching the home for Stigliano. Officer Alberini then advised us that he believed Stigliano was in the attic area of the home. I could see a step ladder against the wall leading to the attic access. The attic access door was also removed as though someone had recently entered the space. Officer Alberini then gave several more K-9 warnings by yelling up towards the attic opening. Officer Alberini then placed K-9 Dax on his shoulder and carried him up the ladder. A short time later I could hear Officer Alberini give K-9 Dax the order to subdue the suspect. I then heard a male scream as though he had been bit.

I then heard Officer Alberini say "gun gun gun drop the gun", or some words to that effect, followed by two muffled gun shots. I then got on the radio and advised dispatch "shots fired". I immediately thought that Officer Alberini had been shot. Lt. Briggs was at this point in the attic and Officer Piers and I quickly followed. I could observe the suspect on the floor of the attic and his body moved a little and then he appeared lifeless. I then asked the officers "who shot him" and Officer Alberini answered "I did". I then radioed dispatch and informed them that "the suspect was down". Officer Piers then handed me a pump action shot gun. I did not want to ruin any potential evidence so I picked up a black bag that was in the attic and grabbed the shotgun. Officer Piers had gloves on when he handed it to me. I then handed the gun to Officer Foster who was in the main house below the
