two as one being a "skinny guy" and the other a "fat guy" and they appeared to be frightened. [REDACTED] stated they were dressed in dark clothing [REDACTED] further stated the "skinny" guy appeared to have dropped something and scrambled to pick it up. At this time [REDACTED] stated he saw the two males approach a small blue car in the parking lot which was occupied by a female. He stated they both were at the driver's side door. [REDACTED] stated it appeared the "skinny guy" was brandishing something like a gun in his hand and let the female out of the car and also let the female get a baby out of the car. He then observed the "skinny guy" push the female out of the way and they both entered the vehicle.

3. After getting into the car [REDACTED] stated they tried driving the car out of there but appeared to have difficulty. At this time [REDACTED] stated he retrieved his cell phone and was about to call 911 when he observed a white male come running around the corner of the building towards the blue vehicle wearing a blue bullet proof vest and a black baseball cap. [REDACTED] stated he appeared to be a police officer so he didn't feel he needed to call 911 at that time. [REDACTED] then observed the "skinny guy" running towards the fence and simultaneously heard a "pop." 4. [REDACTED] stated the "skinny guy" then gets up and starts running across Broadway towards his cab. [REDACTED] said he moved his cab forward to the side street because he didn't want to be in the line of fire if the "skinny guy" was being fired at. [REDACTED] then observed the "skinny guy" run around the back of his cab approach the driver's window. [REDACTED] stated the guy was a white male wearing a black or dark colored hoodie and dark pants with dark hair. [REDACTED] further described him as possibly looking Italian. The "skinny guy" had both hands on the window sill of the driver's window which was down [REDACTED] observed a silver colored revolver in his right hand, which he described as possibly a 38 caliber. [REDACTED] stated the "skinny guy" said "Give me the car." [REDACTED] replied "Get the fuck out here" and drove forward a short distance across the side street and stopped. After stopping [REDACTED] looked in his rear view mirror and observed a little brown car on Broadway and heard numerous popping noises which he described as sounding like a popcorn machine. [REDACTED] then saw the brown car slowly roll to a stop and he drove off with [REDACTED] to Seaport Blvd.
