Re: Conversation with 

Per your request I am writing you regarding the telephone conversation I had with  () regarding Andrew Stigliano. The following is all to the best of my recollection but could be verified by listening to the recordings of the conversation. At approximately 13:08 on July 2, 2013  contacted the Ashland Police Department Dispatch Center via the department business line. He stated that he was a friend and coworker of Andrew Stigliano and had received texts approximately an hour and a half earlier from Stigliano, who he believed had since been shot. Andrew Stigliano had texted Mr.  stating that the cops were surrounding him. Mr.  advised that he responded to Stigliano with a "?" to which Stigliano responded "going out with a bang God speed". Mr.  had then responded to Stigliano, "are you fucking with me". I obtained contact information from Mr.  and then he proceeded to read the texts that he had received from Stigliano and advised me Andrew had been scheduled to work and had not shown up to work. I thanked him for contacting us and advised him that an officer would most likely be in touch with him regarding the information he had provided. This information was later relayed to Sergeant Fawkes and Lieutenant Briggs when they returned to the station.
