CRIME SCENE REPORT

Laboratory Case Number: 13-13201

Victim: Christopher Alberini

Suspect: Andrew Stigliano

Report To: Trooper Jeffrey Saunders, MSP Middlesex County Detective Unit

Report Cc: ADA Adrienne Lynch, Middlesex County District Attorney's Office
Susan Ledoux, Middlesex County District Attorney's Office

Report Date: July 11, 2013

Incident Number: 2013-110-0224

Offense Type: Police Shooting

Date of Incident: July 02, 2013

Town: Ashland

On July 2, 2013, Trooper Jeffery Saunders of the Massachusetts State Police Middlesex County Detective Unit requested technical assistance in connection with the above subject. Forensic Scientist Emily Despres and I, Forensic Scientist Jana L. Thomas, responded, reporting to 13 Metropolitan Avenue at approximately 3:50 p.m. where we met with the following personnel among others:

Assistant District Attorney Adrienne Lynch (Middlesex County District Attorney's Office)
Lieutenant Al Hunt (Massachusetts State Police Middlesex County Detective Unit)
Sergeant Peter Sennott (Massachusetts State Police Middlesex County Detective Unit)
Trooper Kevin Baker (Massachusetts State Police Middlesex County Detective Unit)
Detective Lieutenant Robin Fabry (Massachusetts State Police Crime Scene Services Section)
Sergeant Timothy MacDougall (Massachusetts State Police Crime Scene Services Section)
Trooper Christopher Donahue (Massachusetts State Police Crime Scene Services Section)
Sergeant David Cahill (Massachusetts State Police Firearms Identification Section)
Trooper Paul Sullivan (Massachusetts State Police Firearms Identification Section)
Sergeant Brendan Ellis (Ashland Police Department)

At approximately 4:15p.m., Sergeant Peter Sennott transferred clothing to us. He identified the clothing as belonging to Officer Christopher Alberini of the Ashland Police Department.

Thirteen Metropolitan Avenue was a white single family dwelling. The residence consisted of a single level that was in disarray. We were directed to a ladder in the hallway leading to the attic of the residence. The attic was small, confined and extremely hot. A wooden plank running the length of the attic was observed at the top of the ladder. Several attic floor joists with insulation between them and pipes were noted in the attic. Trash, toys and bags were observed. The body of a male individual was noted in the northeast corner of the attic lying on the wooden plank. The body was in the supine position and dressed in green pants, a blue shirt and a pair of

Excellence In Service Through Quality Forensic Science

boots. Emergency medical technician debris was noted around the body. Red-brown stains were noted on the insulation and frame of the house. A screening test for the presence of blood was positive on the red-brown stained insulation.

The firearm of Officer Christopher Alberini was in the possession of Sergeant David Cahill. The firearm was labeled "Glock 22 Austria" and had a serial number of "GET381". Red-brown stains were noted on the slide, barrel and trigger guard. A screening test for the presence of blood was positive on the red-brown stains on the slide, barrel and trigger guard of the firearm.

We departed 13 Metropolitan Avenue at approximately 5:05 p.m. and were directed to the Ashland Police Department. We arrived at the Ashland Police Department at approximately 5:15 p.m. where we met with the following personnel among others:

Trooper Christopher Donahue (Massachusetts State Police Crime Scene Services Section)
Trooper Paul Sullivan (Massachusetts State Police Firearms Identification Section)

Upon arrival, we were shown the duty belt and vest of Officer Christopher Alberini. Red-brown stains were noted on the duty belt and vest. A screening test for the presence of blood was positive on the aforementioned red-brown stains.

COMMENTS

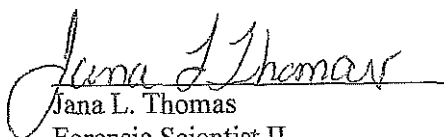

The following items were collected from the scene and transported to the Crime Laboratory:

- 5-1 Piece of insulation with red-brown stains - Attic of 13 Metropolitan Avenue
