\itap3Private Message to Cambridge Police Department

\itap3\f0Hello, I was the one driving the white Mazda down Waverley St on Wednesday afternoon when a shirtless man in gray sweatpants walk out in front of my car, holding a large knife. I saw several police officers nearby - everyone was walking/acting calmly and they were clearly trying to help the young man. I was able to drive off after a minute. I'm not sure if this is very helpful but my cell phone is + [REDACTED] if you need to ask me any questions. Thank you, Aimee
