I N D E X

WITNESS:

(None.)

EXHIBITS:

(None.)

FOR IDENTIFICATION:

(None.)

1 P R O C E E D I N G S

2 (Court called to order.)

3 (3:04 p.m.)

4 THE COURT: All right. Good afternoon.
5 Can everybody hear me?

6 MS. SPIROS: Yes.

7 MS. EVANS: Yes.

8 MS. KAZAROSIAN: Yes.

9 Thank you.

10 MR. ANDERSON: Yes.

11 THE COURT: All right. Good afternoon,
12 counsel.

13 Good afternoon, Clerk-Magistrate Casey.

14 THE CLERK: Can you hear me?

15 I don't think they can hear you.

16 MS. KAZAROSIAN: Good afternoon,
17 everyone.

18 THE COURT: All right.

19 All right. So (indiscernible - Zoom
20 audio) over the weekend.

21 I'll hear from counsel.

22 MS. KAZAROSIAN: Thank you, your Honor.

23 So my hair is much whiter now than it was
24 on Friday after I saw the (indiscernible).

25 I -- I appreciate the clerk's time and

1 everyone's indulgence on this, but I -- I don't
2 believe there is any way I'm going to be able to
3 prepare for this inquest when there's 25 to 30 or
4 more witnesses, an expert on police practices,
5 and still waiting for more information.

6 It's just not possible for me to do it
7 and properly represent my clients.

8 There -- also, I have -- and I did
9 mention this in my email -- another challenge I
10 have is that they are -- as everyone knows, they
11 only speak Bengali.

12 They might speak Urdu -- I just saw
13 that -- but, I mean, I am having a very difficult
14 time communicating timely with them because I
15 have to go through a third person.

16 So I -- I just can't do it.

17 THE COURT: No, I -- and I -- I
18 appreciate the situation you're in, Attorney
19 Kazarosian. All right. I really do.

20 MS. KAZAROSIAN: Thank you, your Honor.

21 THE COURT: But here's -- here's the -- I
22 guess from -- from the Court's point of view.

23 The inquest really isn't an adversarial
24 proceeding.

25 It's not like a -- any type of hearing.

1 It's really a -- the burden is on the Court to
2 investigate certain things to carry out its
3 statutory responsibility under the inquest
4 statute.

5 Now, to do that, obviously, you know, the
6 Court -- the judges don't have an investigatory
7 arm and -- and the role of the Assistant District
8 Attorney, and the organization that requested it,
9 is really to help the Court gather the
10 information in order to conduct the inquest.

11 And the targets, obviously, are entitled
12 to be present during the inquest, as well as the
13 next of kin of the decedent, and everybody who is
14 there can be represented by counsel.

15 Now, I -- even -- historically -- I guess
16 "historically" meaning the few cases that have
17 been conducted, inquests that have been conducted
18 do allow the -- for the questions of the witnesses
19 besides the Assistant District Attorney.

20 They are predominately from the attorney
21 for the target.

22 And I -- I think -- you weren't present
23 at the first meeting when we had Attorney --

24 MS. KAZAROSIAN: Duggan? Yes.

25 THE COURT: -- Duggan, but I think I laid

1 it out that, you know, I'm -- that I may allow
2 the presentation of evidence from the attorneys
3 but I don't want this to become something that
4 it's not.

5 So it -- you know, whether I allow a
6 question or who gets the question, that's solely
7 within my discretion.

8 And I'll ask the attorneys to assist
9 me, but it's really all up to me as far as that
10 goes.

11 So, I'm not inclined to continue it. And
12 I know -- I may look at things differently
13 than -- than you, counsel, as far as what I'm
14 looking at from the discovery -- I've gotten the
15 date -- and you have the added burden of going
16 over that in -- in another language with your
17 client. I appreciate that. The 20th is still
18 two weeks away.

19 And I know you have other things to do
20 and this isn't your sole means of, you know, your
21 practice.

22 So let me hear from everybody else.

23 Attorneys Spiros.

24 MS. SPIROS: Yes, your Honor, thank you.

25 As the Commonwealth has maintained from

1 the beginning of the request for the inquest
2 and -- and our first scheduling conference that
3 you just referred to, we are -- we are ready to
4 begin the presentation of evidence.

5 I believe your Honor indicated that if
6 there were still open questions at the end,
7 you -- you could potentially leave it open.

8 THE COURT: Yeah. Yeah. Yep.

9 And I -- you know -- and I forgot -- I
10 forgot to mention that, too. Thanks for
11 reminding of that.

12 Like I said, it -- in -- because one be
13 of the things you addressed Attorney Kazarosian --
14 and I am mispronouncing your name again -- Kaz...

15 MS. KAZAROSIAN: Kazarosian.

16 THE COURT: -- Kazarosian, is the ME's
17 report.

18 We did get the toxicology report. I got
19 that in -- in the email.

20 But I might just suspend and then,
21 depending on what I might need, and then if I
22 think -- if it assists the Court in its -- in its
23 duties, I will reconvene the inquest to allow
24 things.

25 So -- but go ahead, Attorney Spiros.

1 MS. SPIROS: And so I -- I just want to
2 obviously state that I -- I professionally feel
3 for Attorney Kazarosian's position.

4 As representing the Commonwealth, what I
5 can continue to say is that we are ready to
6 present the evidence.

7 I will just note on the toxicology piece
8 that since sending that report out and having a
9 little bit more time to look at it, it became
10 apparent that the standard toxicology report did
11 not include a panel for mushrooms, which were
12 found in the decedent's bedroom.

13 I'm not sure how much that moves the
14 needle either way, you know, in terms of the
15 legal question you have to answer, your Honor,
16 but to the extent that it will assist you, I have
17 spent much of the day getting a timetable down in
18 which we can do an expanded panel for toxicology,
19 which would include the mushrooms.

20 And I'm told the turnaround on that, on
21 essentially an expedited basis, would be 7 to
22 14 days.

23 And that can be facilitated through the
24 Office of the Chief Medical Examiner if the Court
25 feels as though that information would assist the

1 Court in its assessment of the evidence.

2 THE COURT: Okay. All right. Thank you,
3 counsel.

4 Anybody else?

5 MS. KAZAROSIAN: Could I be heard again,
6 your Honor?

7 THE COURT: Oh, sure. Yeah. Yeah.

8 MS. KAZAROSIAN: Okay. I do understand
9 the process, and I do understand what your
10 responsibilities are and that this is not an
11 adversarial process, obviously, it's an
12 investigative process.

13 And the process is in place to determine,
14 and to decide, and to gather all of the facts in
15 evidence, the circumstances around this death to
16 determine whether or not a crime was committed.

17 I -- I guess I assumed, and I don't know
18 if it was wrongfully or not, that I would be able
19 to cross-examination witnesses.

20 And I'm not looking -- I mean, this is
21 not a discovery issue.

22 I can -- if -- if there's something going
23 on further, I can do that in another forum. This
24 is not the reason why.

25 But I'm here to represent my clients in

1 the best way I can.

2 I need to have an ability to help them
3 understand, as well as you, all of the facts and
4 circumstances.

5 And I don't think it can happen if I'm
6 not able to properly assess all of the evidence;
7 if I'm listening to an officer testifying, I
8 don't have the ME's report, and I can't fully
9 understand what's going on, I think that's an
10 impediment.

11 If I'm not able to properly understand
12 what the expert is going to say and where he's
13 coming from, that's an impediment.

14 If we still -- if we -- even though we
15 may be able to come back with an ME report or a
16 toxicology report, I think those reports inform
17 the testimony as it comes in for all parties.

18 So I really do have to say, again, I -- I
19 understand that -- and I'm not sure if there is a
20 reason why this is fast tracked this way?

21 I -- I'm not sure I understand what it
22 is.

23 But I think only -- you're only going to
24 have more information to inform your decision in
25 May than you have now and not have to be back and

1 forth and do things piecemeal.

2 And it's going to be difficult for my
3 clients as well.

4 I mean, they're -- it's not -- whether
5 it's the traveling there or understanding or
6 getting (indiscernible) translators.

7 I just have to say, what's happened --
8 (indiscernible) if it's fast tracked this way in
9 no less than two weeks, I can't represent my
10 clients.

11 I can't assist and participate in helping
12 the Court determine what all the facts and
13 circumstances were and helping my clients
14 understand as well.

15 And I don't think anybody is going to be
16 prejudiced by putting this off so that we have
17 the time to do it in a more fulsome manner.

18 THE COURT: Yeah.

19 And, counsel, I don't want to impede on
20 your ability to be an advocate for your client,
21 but the -- it's the Court that's going to make
22 that determination, and, along with the
23 assistance of the investigate -- investigation
24 that I am relying on the ADA to do so...

25 MS. KAZAROSIAN: Well, I -- I understand.

1 I'm not ad -- I am not here as an advocate.

2 THE COURT: No. No.

3 MS. KAZAROSIAN: I'm here (indiscernible)
4 their interest.

5 THE COURT: But -- and -- no -- no. I
6 understand.

7 And an advocate for their interest.

8 Yeah, okay.

9 Anybody else?

10 THE CLERK: Can you hear me?

11 MR. ANDERSON: So, Judge, I kind of --
12 and I apologize because when I responded to that
13 email on Sunday, I didn't realize that you were
14 actually on that email, and I probably put in
15 there more than I would have that I had known.

16 But, I just --

17 THE COURT: You've always got to read who
18 is on the CC, Attorney Anderson.

19 MR. ANDERSON: I know. I know.

20 THE COURT: But I didn't see anything in
21 there.

22 I -- and I didn't see it until Monday
23 morning, and I don't -- I don't take my work
24 stuff home over the weekend so...

25 MR. ANDERSON: No, I just told Attorney

1 Kazarosian that I would not object --

2 THE COURT: Okay. No, no.

3 That's fine -- that's fine. No, I
4 understand.

5 MR. ANDERSON: The Court is looking for
6 transparency in this process to benefit
7 everybody.

8 THE COURT: All right.

9 THE CLERK: Can you -- can I -- can you
10 hear me?

11 THE COURT: Yeah.

12 MS. SPIROS: It's echoing, though. I
13 don't know.

14 THE CLERK: I know.

15 THE COURT: And so just so -- just so --
16 Clerk Casey, just a second.

17 Here's my feeling, I feel we are still
18 ready to go. All right.

19 But I think I short-circuit
20 (indiscernible) -- I was about to say Attorney
21 Casey, because I've been on the phone, as well,
22 with what's going on over in Cambridge.

23 That might throw a wrench into what I'm
24 doing right now.

25 Is that what you are going to say?

1 THE CLERK: Yes. So I'm sorry.

2 THE COURT: Okay. Go ahead.

3 THE CLERK: We're having problems -- we
4 are having problems.

5 Hold on one second.

6 Can you hear me now?

7 THE COURT: Yes.

8 MS. KAZAROSIAN: Faintly.

9 THE CLERK: Okay. There may be a problem
10 with going to Third Street as you suggested, your
11 Honor.

12 They are going to be working on the
13 windows outside and the noise has been loud.
14 They plan on being in that back area.

15 I -- I went over yesterday and was
16 excited at, you know, where they stood; but I
17 didn't realize that that actual week, the 20th is
18 when they are going to have a lift in the back
19 and they said it has been quite disruptive and
20 quite noisy with that going on.

21 You know, that being said, I can check on
22 here, but we are really tight on space here.

23 THE COURT: Yeah.

24 THE CLERK: I'm in a courtroom that we
25 are struggling with technology.

1 THE COURT: Yeah.

2 THE CLERK: So that might be another
3 reason.

4 THE COURT: Yeah. No, I understand.

5 And I guess, Attorney Kazarosian, this
6 was my longwinded way of saying you might get
7 your wish anyway.

8 MS. KAZAROSIAN: So thank God for
9 Cambridge's problems then, is that what you are
10 saying?

11 Sorry.

12 THE CLERK: That's all right.

13 MS. KAZAROSIAN: I think it would benefit
14 everyone, I really do, and I think it will help
15 in the transparency (indiscernible).

16 THE COURT: I -- I am not continuing
17 it -- yeah, okay, but this is what I'm going to
18 do, because I was in court all day and I am kind
19 of just trying to catch up on to the emails we
20 got, Sharon, about that.

21 And I've got another call I've got to put
22 in, too, to find out what the situation is over
23 there and what's -- why I am finding out about
24 this now.

25 But so just -- so what -- what's going on

1 is that courtroom, Courtroom 6, might not be
2 available for us that week.

3 THE CLERK: Correct.

4 THE COURT: So -- so that's that.

5 And -- so before we --

6 THE CLERK: Can we look at some other
7 dates?

8 THE COURT: Yeah. That's what I was
9 going to suggest. Let's -- let's look at dates
10 right now and -- because if -- if we can't do it
11 on the 20th, I've got to get some assurances that
12 whatever date we pick, we are not going to be
13 dealing with a jackhammer or -- or, you know, or
14 with a crane going up and down while we're trying
15 to do this.

16 So...

17 MS. SPIROS: Counsel -- counsel and I
18 have sort of been talking about our schedules,
19 and I think we are -- if it's continued, I think
20 we are looking at the end of May.

21 THE COURT: Okay.

22 MS. SPIROS: Because between -- I'm
23 heading straight into a first-degree murder from
24 2018, that's three weeks in April; and then a
25 2017 rape, back to back with an armed assault to

1 murder with the defendant held in custody in the
2 beginning of May.

3 And counsel and -- Attorney Anderson is a
4 way through the 15th of May, I believe, on a
5 prescheduled vacation.

6 So I think we are looking at either
7 the week of the 22nd or the 29th if we are moving
8 it.

9 I mean, I'd also -- I also haven't
10 checked a new date, obviously. We just literally
11 notified everybody yesterday -- (indiscernible)
12 witnesses about the March date.

13 THE COURT: Yeah.

14 MS. SPIROS: And we confirmed all their
15 availability.

16 MS. KAZAROSIAN: Is there a concern
17 about -- is there a reason why -- I mean, I -- I
18 haven't done an inquest but -- I mean, I've been
19 involved peripherally -- and it just seems like
20 this is going so fast.

21 And I am just wondering, is there
22 something I am not aware of that there is a
23 reason why it should happen so fast?

24 THE COURT: No. No. And I think --

25 MS. KAZAROSIAN: Okay.

1 THE COURT: -- Attorney Spiros, I think
2 will harken back to our first meeting where you
3 said -- where I talked about things, and you said
4 your office's position was to do it as quickly as
5 possible, right?

6 MS. SPIROS: Yes.

7 And -- and it was my understanding that
8 the family also wished to have a resolution and
9 answers as soon as possible.

10 So I -- if I'm wrong about that, I -- I
11 would stand corrected, but we certainly have --
12 we certainly, from our office's perspective, you
13 know, had wanted to move this forward.

14 THE COURT: And I think it's -- in
15 something like this, I think it -- you know, it
16 shouldn't -- it shouldn't linger, you know.

17 There's --

18 MS. KAZAROSIAN: Yeah, no, I agree.

19 THE COURT: -- you know -- and -- and --
20 and like I said, I -- when I started going
21 through the discovery I said, I don't think we
22 need to -- to wait that long. At least we can
23 start.

24 And if I feel we need additional
25 evidence, we can always pick it up later.

1 And it's my hope that if I started it,
2 you know, with the help of the Assistant District
3 Attorney's pressure on the ME, we might even have
4 that report by the end of March.

5 That was my hope.

6 MS. KAZAROSIAN: Are you going to allow
7 me to ask questions?

8 THE COURT: It all depends what the
9 questions are.

10 MS. KAZAROSIAN: Well, I mean, I can't
11 tell you all the questions that I'm going to
12 ask --

13 THE COURT: No --

14 MS. KAZAROSIAN: -- but the problem is,
15 obviously --

16 THE COURT: Yeah, no, and counsel,
17 I'll -- I'll be honest with you, my -- my
18 inclination would be, on a limited basis.

19 MS. KAZAROSIAN: Uh-hum.

20 THE COURT: Okay. And the same -- you
21 know, only because it's -- and the same thing
22 will go for Attorney Anderson, too -- but he's
23 probably in a different position in -- than your
24 client.

25 Not that your client doesn't count, it's

1 just that there's a difference between an
2 interested person at an inquest and a target at
3 an inquest.

4 But, even then, I'm not going to turn
5 this -- let this go into -- into something I
6 think we don't want it to be.

7 It's -- it's...

8 MS. KAZAROSIAN: Right. Sure.

9 THE COURT: I have to keep control over
10 it because at the end I am just going to be
11 making a -- writing an inquest report.

12 And, again, no matter what I say in my
13 inquest report, that doesn't mean anything
14 because the authority as to whether to prosecute
15 not to prosecute rests solely in the -- in the
16 hands of the District Attorney of Middlesex
17 County.

18 So it's really a different kind of animal
19 that we've got here as an inquest.

20 And --

21 MS. KAZAROSIAN: But, I mean, I think you
22 would -- I mean, everybody wants this to be
23 transparent --

24 THE COURT: Yeah. Yeah.

25 MS. KAZAROSIAN: -- and for you to have

1 as much information.

2 THE COURT: Of course, yeah.

3 MS. KAZAROSIAN: And I think we can all
4 help in that --

5 THE COURT: Yeah, yeah.

6 MS. KAZAROSIAN: -- including me.

7 Even -- I mean, even if I ask three or
8 four questions --

9 THE COURT: No. Yeah, yeah.

10 MS. KAZAROSIAN: -- (inaudible) that's a
11 lot of time.

12 THE COURT: And I think, you know, the
13 reason for the -- the DA probably asked for an
14 inquest on a case like this, it was for
15 transparency rather than have it go to a grand
16 jury.

17 MS. KAZAROSIAN: Sure.

18 THE COURT: Unless a true bill is
19 returned, no one knows what happened, right?

20 MS. SPIROS: Correct.

21 MS. KAZAROSIAN: It's always better for a
22 third party.

23 THE COURT: Right.

24 MS. KAZAROSIAN: I mean, I can understand
25 the process for sure. There's no doubt about

1 that.

2 THE COURT: Yeah. But it --

3 MS. KAZAROSIAN: It's --

4 THE COURT: I understand the -- all the
5 competing interests.

6 I've -- I've been on all sides of this,
7 counsel, over the years, so I understand. I -- I
8 understand what you are going through.

9 I have a certain other job to do at this
10 point in my role as -- as the Judge in the
11 inquest.

12 But, like I said, I -- at this point I'm
13 denying the request for a continuance, but I
14 think you are going to get your wish.

15 How does that sound?

16 MS. KAZAROSIAN: I don't know. It's like
17 a definite maybe.

18 THE COURT: It's a definite maybe.

19 MS. KAZAROSIAN: Thank you, I guess.

20 Yeah.

21 So, I mean, do you -- are we going to
22 have any idea when -- it's just -- I mean, I --

23 THE COURT: When -- when -- when I'll --
24 when I'll have that decision -- when the "maybe"
25 turns into a "no" for real?

1 MS. KAZAROSIAN: Yeah. No, and the
2 reason why I say it is --

3 THE COURT: No, that's going to be within
4 the next 24 hours.

5 MS. KAZAROSIAN: Oh, okay. Okay.

6 THE COURT: Okay?

7 MS. KAZAROSIAN: Because, um, just to add
8 another wrench in the works, I don't -- we had --
9 during that freeze, my office building, which was
10 a house turned into an office, had busted pipes,
11 and we lost our entire -- all our offices on the
12 first floor, and they've spent the last week
13 tearing it up.

14 THE COURT: Okay.

15 MS. KAZAROSIAN: So I'm, like, in influx
16 too trying to -- I mean, it's just been a horror
17 show --

18 THE COURT: All right.

19 MS. KAZAROSIAN: -- so...

20 THE COURT: And Attorney Kazarosian, does
21 that May 22nd look okay for you?

22 MS. KAZAROSIAN: It does, your Honor.

23 THE COURT: All right. Okay. All right.
24 And rather than reconvene, I'll probably just
25 send out an email with the -- with my -- and it's

1 not going to be my decision.

2 MS. KAZAROSIAN: Okay.

3 THE COURT: It's buildings and grounds.

4 MS. KAZAROSIAN: Okay.

5 THE COURT: All right. But -- so, and
6 Attorney Spiros and Attorney Evans, you
7 understand what's going on?

8 MS. SPIROS: Yes.

9 Just a quick question about the schedule.
10 If we -- if we do move it and we have the
11 view on that second day like we discussed, will
12 you be taking testimony the rest of the day?

13 THE COURT: Oh, yeah. Yeah. Yeah.

14 We're -- if it makes sense, rather than
15 to -- to -- we could either do the view later on
16 in the day and -- and just cut down on the number
17 of witnesses because I -- I -- I think I said
18 before, I know it's three to four days, but it's
19 -- I -- I'm going toward three, only because I
20 want people to be -- to be there.

21 What I'd hate to see happen is we have
22 ten -- I don't know what -- I haven't got it
23 yet -- but if you have ten witnesses scheduled
24 for Monday, and we have ten done at 2:30 in the
25 afternoon, you know --

1 MS. SPIROS: Yeah, I do.

2 THE COURT: -- I'd rather have two kind
3 of come back than run out.

4 MS. SPIROS: I definitely -- I stacked
5 the days.

6 I actually did send out the schedule
7 already to the parties so there will be -- there
8 may be slight tweaks, obviously, but --

9 THE COURT: Yeah.

10 MS. SPIROS: -- I stacked the days, so I
11 don't think we will run short.

12 THE COURT: Yeah. Yeah.

13 And -- and if that's the case, if we do
14 go into Thursday or Friday, that's -- that's
15 okay, as long as we are utilizing the time.

16 MS. SPIROS: Okay. And then my other
17 question to your Honor is: Is it my
18 understanding that it would assist the Court for
19 us to go ahead and ask them to complete the
20 toxicology?

21 THE COURT: Oh, yeah. Yeah, yes. Yeah,
22 yep.

23 And keep on the ME's Office. That's --
24 yeah.

25 MS. SPIROS: Yep. And we have been doing

1 that.

2 THE COURT: And if I'm -- my notes are
3 right, by May 22nd, we should have the ME's
4 report.

5 MS. SPIROS: Yeah.

6 MS. KAZAROSIAN: And the additional tox
7 report, too.

8 THE COURT: Yeah. The tox report should
9 be here, too, (indiscernible), right? Yeah.

10 MS. SPIROS: That's right. The ME for
11 this case is out of the country until March 21st,
12 so...

13 THE COURT: Okay.

14 MS. SPIROS: So that will give us a
15 better chance at having it completed for Court.

16 MS. KAZAROSIAN: Who's -- who's out of
17 the country?

18 MS. SPIROS: The medical examiner.

19 MS. KAZAROSIAN: I'm sorry?

20 MS. SPIROS: The medical examiner.

21 MS. KAZAROSIAN: Oh, jeez, okay. I
22 didn't realize that.

23 THE COURT: Okay. All right.

24 MS. SPIROS: All right.

25 THE COURT: So is there anything else we

1 have to discuss? And then...

2 MS. SPIROS: I don't think so.

3 THE COURT: Okay. Like I said, it's --
4 I'll let everybody know by email probably by the
5 end of business tomorrow, okay?

6 MS. SPIROS: Thank you, your Honor.

7 MS. KAZAROSIAN: Thank you, your Honor.
8 Thank you. Thank you, Madam Clerk.

9 THE CLERK: Thank you everyone.

10 THE COURT: And -- and, you know, it
11 might be a while if we do get the May 22nd date.

12 So if anything comes up, just let Clerk
13 Casey know, and we can schedule -- if you need to
14 go on Zoom we can schedule it, okay?

15 MS. SPIROS: Very good. Thank you.

16 MS. KAZAROSIAN: All right. Thank you,
17 your Honor.

18 MS. EVANS: Thank you.

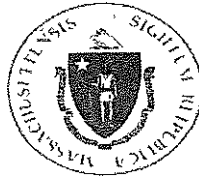

19 MR. ANDERSON: Thank you, Judge.

20 THE COURT: All right. Thank you, all.

21 THE CLERK: Thank you, everybody.

22 MS. KAZAROSIAN: Thank you, everybody.

23 (3:27 p.m. court in recess.)
