1	THE VIEW
2	(On location - 59 Chestnut Street.)
3	(9:00 a.m.)
4	MR. ANDERSON: You will see a camera on
5	the side of that building. If you stand here,
6	see the came pointing this way?
7	THE COURT: It's right by the garage
8	door.
9	MR. ANDERSON: I believe that's the
10	camera that has the video of
11	THE COURT: Of the walk-through?
12	MR. ANDERSON: Yeah, just to point that
13	out.
14	THE CLERK: May 23, 2023.
15	We are doing a view of 59 Chestnut.
16	MS. SPIROS: Fifty-five 55 is here.
17	THE COURT: Yep.
18	MS. SPIROS: This is obviously 59.
19	THE COURT: Right.
20	MS. SPIROS: Front of the house.
21	Now, this driveway I don't have
22	permission to go down.
23	THE COURT: No. That's that's fine.
24	MS. SPIROS: Okay. You can see the
25	height of the fence back there.

LMP Court Reporting - (508) 641-5801

1 THE COURT: The height of the fence. 2 Yep. 3 MS. SPIROS: Yeah. And this is a better angle. If you come here, you can see directly 4 5 into the backyard. THE COURT: All right. 6 7 MS. SPIROS: Okay? THE CLERK: No wind today. 8 9 THE COURT: No wind today. 10 MS. SPIROS: So -- so this is 55, and 11 just note the windows on the second floor. THE COURT: 12 Okay. This is the house that --13 14 MS. SPIROS: 55 Chestnut video, right, 15 where this kind of spans the house, and then you 16 the -- the scene at the end. THE COURT: All right. The car would 17 18 have been? 19 MS. SPIROS: The car would have been 20 here. Yep. 21 THE COURT: Yep. In front of the shed. 22 MS. SPIROS: Yeah. 23 THE COURT: Yep. MS. KAZAROSIAN: Do you know how long 24 25 this -- did anyone measure this driveway? LMP Court Reporting - (508) 641-5801

MS. SPIROS: No. 1 2 Do you see the fire station he was 3 talking about yesterday? 4 THE COURT: Yep. 5 MS. SPIROS: The height of the fence. 6 MS. KAZAROSIAN: So where was --7 MS. SPIROS: So there's a lot more green 8 now. 9 MS. KAZAROSIAN: Yes. 10 MS. SPIROS: Then it was then. 11 THE COURT: Yep. 12 MS. SPIROS: Because everything's grown 13 in. And you can hear the kids. 14 That's the daycare right there. THE COURT: 15 Yep. That's right there. 16 MS. EVANS: 17 MS. SPIROS: You can hear them. Yep. MS. KAZAROSIAN: So is that where Officer 18 19 McMahon was --20 MS. SPIROS: Well, I don't know if we 21 can... 22 THE COURT: Yeah, we --MS. SPIROS: We can't say --23 MS. KAZAROSIAN: Right. Right. 24 Right. 25 I'm just trying to get my bearings on it.

LMP Court Reporting - (508) 641-5801

1 MS. SPIROS: I would just note the locate 2 the of the tree because I think that's been 3 referenced. 4 THE COURT: Yep. 5 MS. SPIROS: And the height of the fence 6 is with the side. The shorter fence over there. 7 THE COURT: Yep. 8 MS. SPIROS: And then as I indicated, the 9 fire escape up there. With the door, 10 specifically the door there. 11 THE COURT: Right. Yep. 12 MS. SPIROS: And then if we can walk this 13 way, that way we can see from the small fence in. 14 This is the driveway. The shorter fence here. 15 THE COURT: Fence. 16 MS. SPIROS: Yep. 17 THE COURT: Okay. 18 MS. SPIROS: Okay. 19 MR. ANDERSON: If I could just point out 20 the unevenness of the ground and kind of the 21 roots that are all --22 THE COURT: Yep. 23 MR. ANDERSON: -- throughout the yard. 24 THE COURT: Yep. 25 MS. SPIROS: I would note the ground was

LMP Court Reporting - (508) 641-5801

slightly harder in January but, yes. 1 2 And, Judge, I would just note on the 3 driveway just the distance between here and the sort of bulkhead here --4 5 THE COURT: The shed. Yep. 6 MS. SPIROS: -- in terms of points of 7 view and advantage points. 8 THE COURT: All right. All right. MS. SPIROS: And the window, the 9 10 second-floor window, is here. 11 THE COURT: All right. 12 Okay. 13 MS. SPIROS: Good? THE COURT: Good. 14 15 MS. SPIROS: Thank you. Thank you. He's all set. 16 17 MS. EVANS: Thank you. THE COURT: The daycare. 18 19 MS. SPIROS: Thank you. 20 THE COURT: All right. We'll see you at 21 the courthouse. 22 Thank you. MR. ANDERSON: See you back there. 23 (The audio for the view concluded.) 24 25
