The items reported to be in the packages were inventoried and documented above by a representative from the submitting agency. At the time of analysis, the assigned analyst/examiner will unseal the package and verify the inventory. In the event of a discrepancy between the actual inventory and that reported on this form, reconciliation shall be conducted in accordance with the Massachusetts State Police Crime Laboratory (MSPCL) Evidence Handling and Submission Manual. The undersigned submits this evidence on behalf of the investigating agency, who acknowledges that the MSPCL is responsible for conducting all tests according to standard procedures, and who authorizes the MSPCL to make all decisions regarding scientifically necessary deviations from said procedures. This may include sending an item(s) to another laboratory for analysis. All procedural deviations shall be documented in the laboratory notes according to laboratory procedure but notice of each such deviation need not be given to the agency.
