Narrative begins on the following page.

1. On Monday, January 24, 2022, at 12:00hrs, I attended the autopsy of (Paul Courtemanche 07-27-1979) along with Detectives Patrick Lyons and Ashley Daniels of the Burlington Police Department, at the Office of the Chief Medical Examiner.

2. Dr. Adebola Yakubu Owolewa of the Office of the Chief Medical Examiner's conducted the autopsy. Dr. Owolewa informed me Courtemanche had a circular bruise in the middle of his back, a gunshot wound to the front side of his right hip, exiting through his lower back and a second gunshot wound to his left eye. The projectile did not exit. Massachusetts State Police Ballistics will be notified to take possession of the projectile.

3. Dr. Owolewa informed me the cause is expected to be gunshot wounds and the manner homicide. A complete autopsy report is pending.

Respectfully,

Trooper Francis E. Torres #4636
