Fatal Marlborough Police Bryce A. Coutinho
involved shooting of: DOB: 06/23/1990

1. On Monday, November 13, 2012, at approximately 0007 hours, Lieutenant David Giorgi of the Marlborough Police Department and I interviewed [REDACTED] in a conference room at the Marlborough Police Department. [REDACTED] was at the residence of 52 Meadowbrook Road in Marlborough during the time of the incident. [REDACTED] provided the following statement:

2. At approximately 6:45 pm, [REDACTED] and [REDACTED] were at [REDACTED]'s house in Maynard. [REDACTED] told [REDACTED] that she wanted to go home because she just broke up with Bryce, wanted to pick up a few things at her house, check on her family and wanted to make sure that Bryce did not steal anything as he was leaving.

3. During the drive from Maynard to [REDACTED]'s house, Bryce called [REDACTED]'s cell phone repeatedly. [REDACTED] answered the last three of Bryce's phone calls. During these conversations, [REDACTED] told Bryce that their relationship was over and asked him to leave her house. Bryce told [REDACTED] over the phone that he refused to leave. Bryce told [REDACTED] that if she left him that he was going to kill himself. [REDACTED] was able to hear the phone call because [REDACTED] had the calls on speaker phone.

4. At approximately 7:00 pm, [REDACTED] and [REDACTED] arrived at [REDACTED]'s house. When [REDACTED] and [REDACTED] went inside of the house, Bryce was sitting on a reclining chair in the living room. [REDACTED] told Bryce that he was not allowed to be on her property and that he had to leave. Bryce refused to leave and demanded to talk about it. [REDACTED] & Bryce went upstairs to [REDACTED]'s bedroom to talk.

5. When [REDACTED] & Bryce went upstairs, [REDACTED] came out of the first floor computer room and sat on the stairs. [REDACTED] stood at the bottom of the stairs by the front door. [REDACTED] & [REDACTED] stood listening in the living room by the stairs. [REDACTED] heard Bryce keep repeating herself. Bryce said, "You're not going to leave me. I am going to kill myself if you do. It's all going to be your fault if I die tonight". [REDACTED] said that Bryce was crying and the conversation lasted approximately 10 minutes.

6. [REDACTED] had [REDACTED] call [REDACTED] downstairs. When [REDACTED] came downstairs, everyone went into the kitchen and Bryce remained in [REDACTED]'s bedroom. [REDACTED] called the police and asked if the police could escort her ex-boyfriend off her property. [REDACTED] & [REDACTED] then went outside to wait for the police to arrive.

7. A short time later, two marked Marlborough Police Cruisers arrived at the front of the residence. One uniformed police officer went inside right away and the other uniformed police officer stayed out front for a few minutes. Moments later, the second police officer went inside. [REDACTED] heard a police officer say, "Hey, Hey Hey", and then heard three gunshots. During the gunshots, [REDACTED] & [REDACTED] were outside in the driveway.

8. [REDACTED] said that she only met Bryce Coutinho on two occasions. The first time was when [REDACTED] & [REDACTED] came to [REDACTED]'s house and the second time was tonight. [REDACTED] has been friends with [REDACTED] for the past five years.
