

INTERVIEW OF OFFICER KAYLYN GOOLEY

LIEUTENANT PAUL BULMAN, MASSACHUSETTS STATE POLICE  
DETECTIVE MICHELLE HALLORAN, READING POLICE DEPARTMENT

FEBRUARY 4, 2018

1           **LT. BULMAN:**     Good evening, it's approximately 12:10  
2 p.m. on February 4<sup>th</sup>, 2018. Present are Lieutenant Paul Bulman,  
3 Mass State Police, Middlesex District Attorney's Office, and  
4 Detective Halloran from the Reading Police Department, and do  
5 you mind stating your name for the record?

6           **OFC. GOOLEY:**     Kaylyn Gooley.

7           **LT. BULMAN:**     And, your assignment?

8           **OFC. GOOLEY:**     I was working today, an overtime shift.  
9 The 8 a.m. to 4 p.m.

10          **LT. BULMAN:**     And what was your sector?

11          **OFC. GOOLEY:**     It was Sector 1, Car 5.

12          **LT. BULMAN:**     And Kaylyn, how long have you been a  
13 police officer in Reading?

14          **OFC. GOOLEY:**     It's going to be four years in July.

15          **LT. BULMAN:**     And prior to Reading, were you employed  
16 by another agency prior to working in Reading?

17          **OFC. GOOLEY:**     I was. I worked down in Orleans, Mass,  
18 as a summer officer. I was a sworn summer officer. And then I  
19 worked at three colleges. I worked at Curry College -

20          **LT. BULMAN:**     Hold on a second. How many years do you  
21 think you did in Orleans?

22          **OFC. GOOLEY:**     It was just the summer, so a couple  
23 months. I think it was like three months.

24          **LT. BULMAN:**     And then you worked for Curry College?

1           **OFC. GOOLEY:**    Yes.

2           **LT. BULMAN:**     For how long?

3           **OFC. GOOLEY:**    Two years and one month.

4           **LT. BULMAN:**     And where else did you work?

5           **OFC. GOOLEY:**    North Shore Community College.

6           **LT. BULMAN:**     For how long?

7           **OFC. GOOLEY:**    Seven months.

8           **LT. BULMAN:**     And where else?

9           **OFC. GOOLEY:**    Salem State University.

10          **LT. BULMAN:**     For how long?

11          **OFC. GOOLEY:**    I was there for, I believe, a year and  
12 a month. Or a little over a year. If I remember correctly.

13          **LT. BULMAN:**     Okay. Alright. So your assignment was  
14 Sector 1 today.

15          **OFC. GOOLEY:**    Yes.

16          **LT. BULMAN:**     And can you tell me, to the best of  
17 your recollection, what transpired?

18          **OFC. GOOLEY:**    We were dispatched to the gas station,  
19 East Coast Gas, on Main Street, for a assault - a past assault -  
20 that occurred. We got a call stating that the victims had left,  
21 they went towards North Reading, and the suspect was still  
22 inside the building -inside the apartment.

23          **LT. BULMAN:**     Okay. Then what happened?

1           **OFC. GOOLEY:**   We arrived on scene. First it was  
2 Officer Lee, then it was me, and Officer Wilson. When we arrived  
3 on scene, the suspect - we weren't sure if he was inside his  
4 apartment building, we've had past dealings, so we knew, where  
5 he resided. We made contact with his brother, who works at the  
6 gas station, he tried contacting him. He ended up making contact  
7 with his brother stating that he was inside the apartment  
8 building. At that point, we started trying to get in through the  
9 front door, but we weren't able to because - there was the front  
10 door, and then there was the apartment door on the inside.

11           **LT. BULMAN:**    Okay.

12           **OFC. GOOLEY:**   I was able to eventually to make  
13 contact with the other neighbor, in the other apartment, and I  
14 asked him to come down and open the front door and he did so.

15           **LT. BULMAN:**    Do you remember his name? No one seemed  
16 to get his name.

17           **OFC. GOOLEY:**    I didn't get his name.

18           **LT. BULMAN:**    Okay. Alright. No biggie, we'll get it.

19           **OFC. GOOLEY:**    Once we got in, we were standing in the  
20 hallway of the apartment complex, and we're knocking on the door  
21 heavily. The dead-bolt was locked, cause we had a key from the  
22 victim that came back - he gave us the key to the apartment, but  
23 unfortunately the key didn't work for the dead-bolt. It didn't  
24 work for the dead-bolt to the actual apartment building either.

1 We ended up trying to speak with the suspect through the door,  
2 and then later he came to the window, where he stated that he  
3 had a pipe, and that he was afraid -

4 **LT. BULMAN:** Were you at the window, or did you just  
5 hear this?

6 **OFC. GOOLEY:** I heard it.

7 **LT. BULMAN:** Through the door?

8 **OFC. GOOLEY:** Nope, I was standing outside and  
9 Officer Wilson was standing at the window speaking.

10 **LT. BULMAN:** Okay. So at some point you're inside  
11 the common hallway -

12 **OFC. GOOLEY:** Yup.

13 **LT. BULMAN:** With Officer Lee.

14 **OFC. GOOLEY:** Yes.

15 **LT. BULMAN:** And is there someone else in there with  
16 you?

17 **OFC. GOOLEY:** There was. It was Officer Vatcher.

18 **LT. BULMAN:** Vatcher.

19 **OFC. GOOLEY:** And Officer Kirwan (phonetic) was also  
20 there. At one point we were kind of like in and out.

21 **LT. BULMAN:** Officer Kirwan?

22 **DET. HALLORAN:** Fontes or Kirwan?

23 **OFC. GOOLEY:** I'm sorry, Fontes.

24 **LT. BULMAN:** Fontes.

1           **OFC. GOOLEY:**     Sorry.

2           **DET. HALLORAN:**       They're both relatively new, so  
3 that's why -

4           **LT. BULMAN:**       Okay. Yup. Okay.

5           **OFC. GOOLEY:**     So, at that point - the victims were on  
6 scene, I was trying to talk to them, and I also was trying to  
7 relay messages back, to try to find out about probable cause.  
8 Initially, we showed up, knowing that we had probable cause to  
9 get in, but then there was the question of whether or not we had  
10 probable cause for arrest from the assault from the night prior,  
11 involving the same individuals. The gentleman - the suspect -  
12 would not - refused to come out. We got word that he was  
13 extremely agitated today and he assaulted his roommate, and  
14 tried to throw a speaker at the roommate's girlfriend.

15           **LT. BULMAN:**       Okay. And who told you this? The  
16 victim?

17           **OFC. GOOLEY:**     The roommate.

18           **LT. BULMAN:**       The roommate?

19           **OFC. GOOLEY:**     Yeah. I forget the victim - I forget  
20 what his name was.

21           **LT. BULMAN:**       Okay. Just the roommate is fine. He  
22 relayed how agitated he was.

23           **OFC. GOOLEY:**     Yeah.

1           **LT. BULMAN:**       And some of the violence that had  
2 occurred?

3           **OFC. GOOLEY:**     He stated that he - that the suspect -  
4 tried to go after him again today. Tried to punch him several  
5 times, but they ended up wrestling, and then the suspect tried  
6 to throw a speaker at the girlfriend and that's when the  
7 suspect's brother stepped in and separated the parties, and  
8 that's when the two victims were able to leave the building.

9           **LT. BULMAN:**       Okay. Then what happened?

10          **OFC. GOOLEY:**     From there, Officer Lee was still  
11 trying to communicate with the suspect through the door, trying  
12 to get him to calm down, to talk to us, even just through the  
13 door, to try to hear his side of the story. I was still outside  
14 at this time. Officer Silva arrived on scene, as well as Officer  
15 Drauschke. And we were trying to make a game plan - the FD was  
16 also on scene at some point, but then they ended up clearing.  
17 Sorry am I taking up the whole thing?

18          **LT. BULMAN:**       Nope. No, no, no.

19          **OFC. GOOLEY:**     I'm a long winded person.

20          **LT. BULMAN:**       No.

21          **OFC. GOOLEY:**     Let's see, at some point, we were  
22 standing outside, some people - some officers were going around  
23 to the back of the building. I know Officer Savio was one of  
24 them. Officer Wilson checked the back of the building at some

1 point too. Again, it was still the question of the PC and what  
2 we were going to do, once we were able to talk to the suspect  
3 out of the house, or allow us to get into the house. And I  
4 remember the suspect's brother came over and said - I asked him,  
5 when I first arrived on scene if there was another door -  
6 because we knew there was a back door. And he said "No, that  
7 back door goes to the other apartment", and I asked him "Well,  
8 okay, is there any door that allows me to get in from the gas  
9 station?" he goes "Nope, there's no door". Later on in the  
10 evening, he told me "The door's open. The door's unlocked" and  
11 we were all like "What door? What are you talking about?" and we  
12 walked over towards the gas station entrance - like where their  
13 office is - and there's a door that led to the apartment  
14 building, and he goes "It's unlocked. He left it unlocked." and  
15 I was like "Why didn't you tell us this earlier?" So we made  
16 entrance through that way.

17 **LT. BULMAN:** When you say we - who was you that made  
18 entrance at that point?

19 **OFC. GOOLEY:** It was Officer Wilson, and Officer  
20 Vatcher. Once we entered the building, we started to clear -  
21 what seemed to be the kitchen area. Then the dining room, it was  
22 all in disarray - there was broken furniture everywhere. We then  
23 tried to open the door, where Officer Lee was - where he was  
24 trying to make communication, but the door was bolted. We still

1 couldn't open it from the inside. We rounded the corner and we  
2 saw that the back window was open, and Officer Savio was already  
3 out back, and he said "I think he jumped out through the  
4 window".

5 **LT. BULMAN:** Who said that?

6 **OFC. GOOLEY:** Officer Savio.

7 **LT. BULMAN:** Officer Savio?

8 **OFC. GOOLEY:** Yes. At that time, Officer Vatcher and  
9 I then went upstairs to try to clear. We heard that he may be  
10 outside, Officer Vatcher and I are making our way back down.  
11 That's when we heard "Shots fired". I ran out, through the door  
12 I entered, and I heard, on the radio it said that Drauschke -  
13 I'm sorry -Officer Drauschke said that he had him in the car, or  
14 near the cars - I can't really remember right now. I called for  
15 Erik, and there was a pause - I heard him - I went to - if  
16 you're facing the gas station, I went to left where all the  
17 vehicles are parked. I saw Erik crouched down. I had my weapon  
18 drawn, already. Erik said that he had the suspect down. That he  
19 had fired and I rounded the corner, I saw that Erik - the  
20 suspect was on the ground, on his knees, head down on the  
21 ground. I asked Officer Drauschke if there was any weapons, at  
22 which time he stated that he "Wasn't sure. The suspect wouldn't  
23 take his hands out of his pocket. He kept making comments of  
24 'Shoot me. Shoot me.'" He still had one arm tucked underneath

1 him. Officer Drauschke had his right arm behind his back,  
2 holding it. I -

3 **LT. BULMAN:** Can I back you up for one second?

4 **OFC. GOOLEY:** Oh, sorry. Yeah.

5 **LT. BULMAN:** No. Nope. You're doing great.

6 **OFC. GOOLEY:** I don't know if I'm like -

7 **LT. BULMAN:** You're doing great. Nope. I just want  
8 to flush a few things out.

9 **OFC. GOOLEY:** Yes.

10 **LT. BULMAN:** So, you were upstairs, clearing the  
11 second floor.

12 **OFC. GOOLEY:** Yes.

13 **LT. BULMAN:** When you heard someone say "He's out by  
14 the cars". So you started making your way down the stairs?

15 **OFC. GOOLEY:** Yes.

16 **LT. BULMAN:** At that point you heard Officer  
17 Drauschke say something over the radio?

18 **OFC. GOOLEY:** We heard "Shots fired".

19 **LT. BULMAN:** Shots fired.

20 **OFC. GOOLEY:** Yeah.

21 **LT. BULMAN:** Did you actually hear the gunshots?

22 **OFC. GOOLEY:** So I thought I did, but, like, now that  
23 I'm thinking about it, I'm not completely clear if I did or not.

24 **LT. BULMAN:** Okay.

1           **OFC. GOOLEY:** I want to say initially, I was like,  
2 yeah, I heard them -

3           **LT. BULMAN:** Okay.

4           **OFC. GOOLEY:** But at the time, it was just -

5           **LT. BULMAN:** So you hear that transmission. So you  
6 make your way out to the back of the parking lot.

7           **OFC. GOOLEY:** I made my way back out to the front of  
8 the gas station and I ran towards the cars, because I'm familiar  
9 with the area -

10          **LT. BULMAN:** Yeah.

11          **OFC. GOOLEY:** I take that sector. So, I knew that the  
12 car is probably parked - it was going to be on that side, on  
13 the-

14          **LT. BULMAN:** Okay.

15          **OFC. GOOLEY:** Left hand side. So I directly ran that  
16 way, and that's when I saw Erik crouched on the ground.

17          **LT. BULMAN:** Erik?

18          **OFC. GOOLEY:** I'm sorry, Officer Drauschke.

19          **LT. BULMAN:** Officer Drauschke?

20          **OFC. GOOLEY:** Yes.

21          **LT. BULMAN:** When you say crouched, was he -

22          **OFC. GOOLEY:** He was on his knees - he was actually  
23 kind of like squatting, holding the suspects arm down, you know,  
24 calling for help.

1           **LT. BULMAN:**     Okay. And, several people described  
2 the suspect's position. Would you say - how would you describe  
3 what the suspect - how the suspect was positioned, to the best  
4 of your recollection?

5           **OFC. GOOLEY:**    He was on his knees, like I said, right  
6 arm behind his back, left arm tucked, and his head was face down  
7 on the ground.

8           **LT. BULMAN:**     Was his head facing towards the front  
9 of the vehicle, or the driver's -

10          **OFC. GOOLEY:**    It was facing towards the front of the  
11 vehicle.

12          **LT. BULMAN:**     Okay.

13          **OFC. GOOLEY:**    The passenger's door of the Hummer was  
14 open at that time.

15          **LT. BULMAN:**     Okay.

16          **OFC. GOOLEY:**    And Officer Drauschke was facing in the  
17 same direction.

18          **LT. BULMAN:**     Okay. And at that point, Officer  
19 Drauschke said what to you, again?

20          **OFC. GOOLEY:**    Officer Drauschke told me that he fired  
21 - that he didn't know if there was any weapons. That the suspect  
22 wouldn't take his hands out of his pockets. He kept repeatedly  
23 asking him to take his hands out of his pockets, but he refused.  
24 That's when I quickly ran over - I holstered my weapon, ran

1 over- I cuffed the hand that Officer Drauschke had, and we  
2 quickly grabbed his other hand and cuffed the other hand.

3 **LT. BULMAN:** Okay. Initially, I think you said, Erik  
4 may have said he kept saying "Shoot me. Shoot me." Did he -

5 **OFC. GOOLEY:** The suspect kept saying "Shoot me.  
6 Shoot me." Yeah. Officer Drauschke told me that, while I was  
7 asking what -

8 **LT. BULMAN:** Okay.

9 **OFC. GOOLEY:** Had happened.

10 **LT. BULMAN:** Drauschke had the right hand - was  
11 holding the right hand (indiscernible) -

12 **OFC. GOOLEY:** Right hand was behind his back, yes.

13 **LT. BULMAN:** You ran over, grabbed the left hand -

14 **OFC. GOOLEY:** Nope, I ran over, I initially quickly  
15 cuffed the right hand that he already had.

16 **LT. BULMAN:** Okay.

17 **OFC. GOOLEY:** And then, I grabbed the left hand and  
18 we cuffed the left hand.

19 **LT. BULMAN:** Okay. And then that's when Erik said he  
20 kept saying "Shoot me. Shoot me."?

21 **OFC. GOOLEY:** Yes. Officer Drauschke said "I don't  
22 know if he has any weapons. He kept saying 'Shoot me. Shoot me.'  
23 I kept asking him to show me his hands, and he refused." At that

1 time, we tried to do a quick pat down to see if he had any  
2 weapons on him, and then we started rendering aid right away.

3 **LT. BULMAN:** Okay. Did you assist rendering aid?

4 **OFC. GOOLEY:** I did, yes.

5 **LT. BULMAN:** Okay. Can you tell me what Officer Lee  
6 did? Did he -

7 **OFC. GOOLEY:** Yup. So, I don't know who brought the  
8 medic bag over, someone brought the medic bag over. I asked for  
9 gauze right away. We noticed that he had a bullet hole, in his  
10 back. We quickly rolled him over, to the front. Officer Lee  
11 asked for a knife. He took Officer Drauschke's knife. He cut the  
12 suspect's shirt open, we then ripped it open. We noticed that  
13 there was two bullet holes. We started to grab some gauze to try  
14 to hold pressure. While I was holding pressure, Officer Lee  
15 started doing compressions.

16 **LT. BULMAN:** Okay. So, that's a little different.  
17 So, the gauze was on the front of the chest, not the back of the  
18 chest? Or did you put gauze on the front and back?

19 **OFC. GOOLEY:** I initially started on the back, and  
20 then when we rolled him over, I started to put pressure on the  
21 front.

22 **LT. BULMAN:** Okay.

23 **OFC. GOOLEY:** His back was on the ground.

1           **LT. BULMAN:**     Okay. So there was gauze on his back,  
2 you just rolled him over?

3           **OFC. GOOLEY:**    Yes.

4           **LT. BULMAN:**     And the weight of his own body held  
5 that gauze, and then you put additional gauze -

6           **OFC. GOOLEY:**    I put gauze - yeah - on his front.

7           **LT. BULMAN:**     And you -

8           **OFC. GOOLEY:**    I was holding it, yes.

9           **LT. BULMAN:**     And Lee was doing chest compressions?

10          **OFC. GOOLEY:**    And Lee was doing chest compressions,  
11 and then we got the Ambu bag.

12          **LT. BULMAN:**     Yup.

13          **OFC. GOOLEY:**    And Officer Savio started to do the  
14 Ambu bag.

15          **LT. BULMAN:**     Okay.

16          **OFC. GOOLEY:**    If I'm talking too fast, let me -

17          **LT. BULMAN:**     Nope. Not at all. That's why I have the  
18 recorder.

19          **OFC. GOOLEY:**    I mumble too.

20          **LT. BULMAN:**     So you guys did chest compressions  
21 until relieved by EMS?

22          **OFC. GOOLEY:**    So he ended up starting to choke on his  
23 own blood. At that point, I started to open his mouth, and I  
24 turned his head to the side - the suspect. I also tried to get

1 the blood to come out. Rescue started to come - they started to  
2 get prepared. They started wiping his chest down. They put on  
3 the AED pads. Officer Lee was still doing compressions. Officer  
4 Savio was still doing the Ambu bag. I was still trying to apply  
5 pressure. That's when Officer Lee asked for relief. I relieved  
6 Officer Lee. I started to do compressions. Because of my angle,  
7 I was up at the head of the suspect. Officer Vatcher said "I  
8 have better angle, why don't you let me do it?" That's when  
9 Officer Vatcher stepped in, he started to do compressions.  
10 Again, Officer Savio, still was -

11 **LT. BULMAN:** Doing the -

12 **OFC. GOOLEY:** Doing the Ambu bag, and at the same  
13 time, I then took over supporting the head, and trying to make  
14 sure he wasn't choking on the blood anymore.

15 **LT. BULMAN:** Okay.

16 **OFC. GOOLEY:** And then, that's when the paramedics  
17 stepped in, and they -

18 **LT. BULMAN:** Okay.

19 **OFC. GOOLEY:** They took over.

20 **LT. BULMAN:** Did you get any of his blood on you?

21 **OFC. GOOLEY:** I did.

22 **LT. BULMAN:** Were you gloved?

23 **OFC. GOOLEY:** I was gloved, yes.

1           **LT. BULMAN:**       Okay. And did you seek medical  
2 treatment for that?

3           **OFC. GOOLEY:**     We did, yes.

4           **LT. BULMAN:**       You did. Okay. Excellent.

5           **OFC. GOOLEY:**     We also - the fire department on scene  
6 - I'm sorry -

7           **LT. BULMAN:**       Nope.

8           **OFC. GOOLEY:**     The fire department, on scene, also  
9 tried to -

10          **LT. BULMAN:**       Decontaminate?

11          **OFC. GOOLEY:**     Decontaminate us on scene.

12          **LT. BULMAN:**       That's excellent. So after EMS is on  
13 scene, the fire department is on scene, what steps did you take  
14 then? What was your assignment from that point on?

15          **OFC. GOOLEY:**     I was to watch the crime scene.

16          **LT. BULMAN:**       You were assigned to the crime scene?

17          **OFC. GOOLEY:**     I wasn't - I just kind of assigned  
18 myself.

19          **LT. BULMAN:**       Okay.

20          **OFC. GOOLEY:**     And then the Sergeant, when he was  
21 trying to organize everything I said "I'm here. I've been here.  
22 I haven't moved." I then labeled the two shell casings, and I  
23 stayed put, until I was relieved.

24          **LT. BULMAN:**       And who relieved you?

1           **OFC. GOOLEY:**    At first, it was Detective Holmes. He  
2                            allowed me to warm up for a few minutes, and then I  
3                            came back out and then I was back on scene.

4           **LT. BULMAN:**       Okay.

5           **OFC. GOOLEY:**    At the time. But there was also -  
6                            Sergeant Silva was still in the area at the time too. They both  
7                            knew that I needed to thaw out my toes.

8           **LT. BULMAN:**       Was it readily apparent to you that  
9                            this - he was in very critical condition?

10          **OFC. GOOLEY:**    Yes.

11          **LT. BULMAN:**       Okay.

12          **OFC. GOOLEY:**    We also kept checking his pulse. I  
13                            checked his pulse. Officer Lee checked his pulse. While doing  
14                            the Ambu bag, and the CPR. We were trying to see if he had a  
15                            pulse the entire time that we were there.

16          **LT. BULMAN:**       Okay. And did he?

17          **OFC. GOOLEY:**    It was hard for me to tell. At first,  
18                            when I first came across him he did, and he was making noises -  
19                            that was before -

20          **LT. BULMAN:**       Yeah.

21          **OFC. GOOLEY:**    When I was putting cuffs on him. As we  
22                            were working him, it just seemed, that he didn't have a pulse.

23          **LT. BULMAN:**       Okay.

24          **OFC. GOOLEY:**    And he wasn't breathing.

1           **LT. BULMAN:**     So, did Erik say anything else to you,  
2 after that initial statement? He just kept saying "Shoot me.  
3 Shoot me." And he wouldn't take his hands out of the pockets.

4           **OFC. GOOLEY:**    I didn't ask -

5           **LT. BULMAN:**     Okay.

6           **OFC. GOOLEY:**    Officer Drauschke anything. The only  
7 thing I asked him was if he was okay. And he said "Yup".

8           **LT. BULMAN:**     Okay.

9           **OFC. GOOLEY:**    And that was it.

10          **LT. BULMAN:**     Okay.

11          **OFC. GOOLEY:**    I knew not to ask him any further  
12 questions.

13          **LT. BULMAN:**     So you stayed on scene until you were  
14 relieved, and then you came right back here.

15          **OFC. GOOLEY:**    Yeah. I'm sorry, yes. Once we were  
16 relieved, myself, Officer Lee, we took one cruiser back to the  
17 station and we were directed to stay in the Sergeant's Office.

18          **LT. BULMAN:**     Okay. And someone told you not to  
19 discuss -

20          **OFC. GOOLEY:**    Yes.

21          **LT. BULMAN:**     The incident, amongst yourselves?

22          **OFC. GOOLEY:**    Yes.

23          **LT. BULMAN:**     And you didn't?

24          **OFC. GOOLEY:**    No.

1           **LT. BULMAN:**     Okay. And then at some point, you left  
2 the station, only to get medical treatment?

3           **OFC. GOOLEY:**    Yes.

4           **LT. BULMAN:**     And then you came right back?

5           **OFC. GOOLEY:**    And then we came right back. Yes.

6           **LT. BULMAN:**     And again, you didn't talk to anyone -

7           **OFC. GOOLEY:**    No.

8           **LT. BULMAN:**     About the incident? Okay. Can you think  
9 of anything else? Had you ever had any interaction with this  
10 individual?

11          **OFC. GOOLEY:**    Yes, I have.

12          **LT. BULMAN:**     Okay. Did you ever arrest him?

13          **OFC. GOOLEY:**    We did not arrest - I did not arrest  
14 him on the incident that I was in.

15          **LT. BULMAN:**     Can you describe that incident?

16          **OFC. GOOLEY:**    Sure. It was - I was on an overnight  
17 shift, which was the 12 p.m. to 8 a.m. shift. It was early in  
18 the morning - I want to say it was around 1 o'clock. We got  
19 dispatched to the same apartment building. It was for him - it  
20 was for medical treatment for him - he said he wasn't feeling  
21 well. He said he felt sick, and he needed medical assistance. I  
22 arrived on scene, as well, with a couple other officers, because  
23 we had past dealings with him, knowing that he didn't like  
24 police. When we arrived on scene, he barricaded himself in the

1 apartment. He wouldn't come out for us, even though we were  
2 there for his own medical treatment. We also had an ambulance on  
3 the scene as well. Sorry.

4 **LT. BULMAN:** No. It's okay. You can keep going, I'm  
5 just taking it in shorthand.

6 **OFC. GOOLEY:** Oh, okay. I finally was able to talk  
7 him to come out of the building - with the help of his roommate  
8 - helped me talk him to come out of the building. At that point,  
9 he was ranting and yelling, that he was beaten up before, and he  
10 didn't like police, and he didn't trust us, and he wouldn't come  
11 near us, that he thought we were going to beat him up, and I  
12 explained that we weren't, we were there for his needs. At that  
13 point, he agreed that he would talk to the paramedics, if we  
14 would kind of stand a couple feet away from him. He kept trying  
15 to, like, move away - he was very nervous and agitated. At that  
16 time, his roommate told me he had been drinking heavily, and  
17 that he had, extreme, like, emotions, throughout the evening. We  
18 finally got him to agree to go into the ambulance. He went in  
19 the ambulance, and we had an officer follow behind, where he was  
20 then transported to the hospital.

21 **LT. BULMAN:** And how long ago was this, prior to  
22 today? Was -

23 **OFC. GOOLEY:** It was last year.

24 **LT. BULMAN:** It was last year?

1           **OFC. GOOLEY:**    Yes.

2           **LT. BULMAN:**     2017?

3           **OFC. GOOLEY:**    Yes.

4           **LT. BULMAN:**     Okay. Fall, summer, winter?

5           **OFC. GOOLEY:**    I want to say it was in the fall,  
6 because I remember - I felt like it was a cool morning. But I  
7 could be wrong.

8           **LT. BULMAN:**     Okay.

9           **OFC. GOOLEY:**    So you had that one time. Did you have  
10 any other interactions with him prior to today?

11          **OFC. GOOLEY:**    I don't believe so.

12          **LT. BULMAN:**     Okay. But, was he a frequent flier? Was  
13 he known to you guys?

14          **OFC. GOOLEY:**    He was known to us.

15          **LT. BULMAN:**     Okay.

16          **OFC. GOOLEY:**    We've been there several times. Every  
17 time, you know - the last time I got sent there, I was given the  
18 heads up, you know, not to go alone, that he will be aggressive,  
19 that he will fight. Like I said, tonight, he made threats to use  
20 a pipe. We didn't know what he had in his apartment.

21          **LT. BULMAN:**     Did you hear that threat also?

22          **OFC. GOOLEY:**    I did. It was through - he said it.

23          **LT. BULMAN:**     He said the word "pipe"?

24          **OFC. GOOLEY:**    That's what I heard. Yeah.

1           **LT. BULMAN:**       Or pole?

2           **OFC. GOOLEY:**    Oh, pole, yeah. Pole.

3           **LT. BULMAN:**       Pole or pipe?

4           **OFC. GOOLEY:**    Yeah, pole or pipe. I just knew that he  
5 - I remember him stating that, because we - at that point, we  
6 knew, that he wasn't going to come willingly.

7           **LT. BULMAN:**       And this is while you were standing in  
8 the common hallway, you heard this?

9           **OFC. GOOLEY:**    I was standing - so, Officer Lee was by  
10 the door. It was Officer Fontes, and then it was me, I was  
11 standing on the deck. And Officer Wilson was by the window, and  
12 Officer Wilson was talking to the suspect through the window,  
13 and that's when the comment was made. The brother kept stating  
14 that he was trying to talk him down, but at the same time, he  
15 kept saying that his brother was going to fight us if we tried  
16 to go in there, and that because there were so many officers, he  
17 was going to fight us - for us to be prepared if we walked in  
18 there.

19           **LT. BULMAN:**       And that was Anthony that told you  
20 that?

21           **OFC. GOOLEY:**    Anthony, yes.

22           **LT. BULMAN:**       The brother.

23           **OFC. GOOLEY:**    He told us several times.

1           **LT. BULMAN:**     Did he sound drunk? Were you able to  
2 discern? Did he sound drunk? Were you able to smell -

3           **OFC. GOOLEY:**   Anthony, or the -?

4           **LT. BULMAN:**     The -

5           **OFC. GOOLEY:**   The suspect?

6           **LT. BULMAN:**     The suspect. Yeah.

7           **OFC. GOOLEY:**   So, I did. As I was holding his mouth  
8 open, so the blood could run out -

9           **LT. BULMAN:**     Yeah.

10          **OFC. GOOLEY:**   It also seemed like he was vomiting. I  
11 could smell puke and alcohol coming off his breath.

12          **LT. BULMAN:**     Okay.

13          **OFC. GOOLEY:**   As I was - I was that close to his  
14 face.

15          **LT. BULMAN:**     How about his eyes? Were his eyes  
16 closed?

17          **OFC. GOOLEY:**   His eyes were wide open.

18          **LT. BULMAN:**     Yeah.

19          **OFC. GOOLEY:**   They were just kind of, like,  
20 pinpointed at one point.

21          **LT. BULMAN:**     Red? Glassy?

22          **OFC. GOOLEY:**   I remember looking at them, and I just  
23 remember knowing they were open, but I wasn't paying attention.  
24 I knew that he was an alcoholic and that he has used before, in

1 the past. So, when I smelt the alcohol, I wasn't surprised. I  
2 also closed the car door, I don't think I mentioned that. After  
3 we cuffed him, and I came around front - to the front of -

4 **LT. BULMAN:** You closed the door?

5 **OFC. GOOLEY:** I was the one that closed the door. I  
6 wasn't sure if there was any weapons, so I wanted to close the  
7 door to make sure that there was nothing in reach.

8 **LT. BULMAN:** Okay. Alright.

9 **OFC. GOOLEY:** I did try to scan, before I closed the  
10 door, but I didn't see anything inside.

11 **LT. BULMAN:** Okay. Do you know of anyone else we  
12 should talk to, besides that guy that let you guys in, are there  
13 any other civilians you observed on the scene, or?

14 **OFC. GOOLEY:** So there were a couple civilians on  
15 scene - my main concern, after the whole thing happened, was his  
16 brother. It was just kind of weird, the fact that when I asked  
17 him about the door - and then he told me there was no door, but  
18 then magically, there was a door, and it was unlocked.

19 **LT. BULMAN:** Yeah.

20 **OFC. GOOLEY:** It kind of felt like he was helping his  
21 brother, in a way?

22 **LT. BULMAN:** Mhm.

23 **OFC. GOOLEY:** Because then his brother wasn't in the  
24 apartment, when he was in the apartment not too long ago because

1 we were just talking to him through the window. Sorry, at the  
2 time that I was running to Officer Drauschke, to back him up,  
3 the brother, was running towards me shouting "He shot my  
4 brother! He shot my brother!" And I remember wondering why he  
5 was already in the area where Officer Drauschke was? I didn't  
6 understand, like, he was literally by the front door when we  
7 started to do our walk through, and we told him to stay put. And  
8 then, somehow he ended up near Officer Drauschke, and he saw his  
9 brother. I let Detective Holmes know that he should be -  
10 definitely one to be questioned, because I wasn't sure what his  
11 involvement was.

12 **LT. BULMAN:** Okay.

13 **OFC. GOOLEY:** At the time that his brother escaped  
14 the apartment.

15 **LT. BULMAN:** Okay. So besides Anthony and the second  
16 floor gentleman who opened the common hallway door, can you  
17 think of anyone else we should talk to?

18 **OFC. GOOLEY:** I don't know if they saw much, but I do  
19 know the two victims were on scene. The roommate and the  
20 girlfriend. They were sitting in the car, on the other side of  
21 where the incident had occurred. There was also the gentlemen  
22 that works at the gas station. They were in the central area -

23 **LT. BULMAN:** Mhm.

1           **OFC. GOOLEY:**   Where the office is. I believe there  
2 was two workers there, and there was also a car, trying to get  
3 gas but I don't know if they stayed or left.

4           **LT. BULMAN:**    Do you remember anything about the car?  
5 Make? Model? Or (indiscernible) -

6           **OFC. GOOLEY:**   There was a woman driving the vehicle.  
7 It was a small passenger car, I want to say, like, possibly a  
8 Toyota. I wasn't really paying attention. I just, was more  
9 focused on trying to -

10          **LT. BULMAN:**    Okay. Small passenger car at the pumps.

11          **OFC. GOOLEY:**    Yes.

12          **LT. BULMAN:**    Do you remember a color or anything?

13          **OFC. GOOLEY:**    I don't. I just know it was - the car  
14 was faced towards me, and it was closest to the road, at the  
15 last pump, near the apartment door.

16          **LT. BULMAN:**    But do you think she could've seen  
17 anything from where she was parked?

18          **OFC. GOOLEY:**    I don't believe so.

19          **LT. BULMAN:**    Okay.

20          **OFC. GOOLEY:**    We entered the apartment, and when I  
21 came running out of the building, I didn't look who was out  
22 there. The only person, like I said, I noticed was the brother  
23 running towards me and I yelled for him to "Get back!", to go to

1 an officer. And he kept yelling "He f'ing killed my brother!"  
2 and that's when I went to Officer Drauschke.

3 **LT. BULMAN:** I noticed you have a clip, do you guys  
4 carry body cameras?

5 **OFC. GOOLEY:** Oh, no, I'm sorry. This is just my  
6 flashlight.

7 **LT. BULMAN:** Oh, okay. It looked like a body camera.

8 **OFC. GOOLEY:** No, no.

9 **LT. BULMAN:** Okay.

10 **OFC. GOOLEY:** Sorry.

11 **LT. BULMAN:** Does anyone in your department carry  
12 body cameras?

13 **DET. HALLORAN:** No.

14 **OFC. GOOLEY:** No.

15 **LT. BULMAN:** No body cameras? Okay.

16 **OFC. GOOLEY:** Creep everyone out.

17 **LT. BULMAN:** I can't think of anything else, can  
18 you?

19 **DET. HALLORAN:** No.

20 **LT. BULMAN:** Yeah. Alright. The time is now, 12:40  
21 approximately on February 4<sup>th</sup>.

22 **OFC. GOOLEY:** Oh, sorry, can I interrupt?

23 **LT. BULMAN:** Sure.

1           **OFC. GOOLEY:** I do know, that when the suspect was  
2 carried onto the ambulance, he was uncuffed, so they could  
3 render aid as well.

4           **LT. BULMAN:** Okay.

5           **OFC. GOOLEY:** Like the other arm (indiscernible).

6           **LT. BULMAN:** Yup. No that's good.

7           **OFC. GOOLEY:** (Indiscernible) important.

8           **LT. BULMAN:** Alright. Again, the time is 12:40, and  
9 this concludes the interview.
