Dear Colleagues:

It was wonderful to see so many of you at our Virtual Opioid Task Force meeting. Thank you to our presenters and I hope that many of our participants have the opportunity to connect with them about the programs, including ATLAS and the CIMS program.

As usual, the slides will be made available [on our website](#) shortly. Here is some of the contact information shared:

From the MA Health Policy Commission and Wendy Nicholas:

I look forward to seeing you next month - January 27th, 2021 (!) where we will hear from the MA Pain Initiative.

If you have a recommendation for a program to share with the group - if you'd like to present on some new, interesting, important work that you're doing, please let me know. We want to hear from you. Until then, have a safe holiday and take care of yourselves, your loved ones, and your communities.

Warm regards,
Nora Mann
